SSC is a gateway to connect students to various on-campus programs. We plan and operate extracurricular programs to support students’ diverse experiences. We also provide a primary counseling service and guide students to related centers for their in-depth secondary counseling.

### Services

- Advise on curricular and extracurricular activities
- Connect students to related programs and institutions
- Help students adjust to campus life
- Support to design a roadmap for the whole academic years

### Counseling Appointment

**GLS Connection**
Counseling area → SSC → Counseling appointments

**SSC Official Website**
Online counseling → Schedule appointment

*Your appointment may be subject to change due to certain circumstances. Check your schedule on GLS before your visit.*
